

IMR Doctoral Conference 2016-2017: Delegate Registration

January 11 and 12, 2017

The Indian Institute of Management Bangalore's flagship journal IIMB Management Review (IMR) and the Office of the Fellow Programme in Management are organising the eighth IMR Doctoral Conference (IMRDC 2016-2017) on January 11 and 12, 2017, at IIM Bangalore. Our objective is to encourage doctoral students' research and facilitate collaborative work among researchers from different institutions. We aim to provide a forum where insightful feedback from senior researchers and academicians would help improve the quality of students' work. The IMR Doctoral Conference (IMRDC) is a benchmark event in India's doctoral student community in Management which has been commended, in particular, by participants for the useful and constructive feedback provided through its 'one exclusive discussant per paper' format.

We have envisioned a two-day programme consisting of full paper presentations by doctoral level students, keynote sessions, workshops and invited talks by noted international scholars in management research. We invite you to visit our website at <http://www.iimb.ernet.in/publications/review/past-imr-doctoral-conferences> for information on past IMR Doctoral Conferences.

The event is open for registration to doctoral students and faculty of management institutes/departments, as well as researchers and practitioners in affiliated fields. Details of registration are given below.
